### Claim #1 Lacy A. Hall

Added: October 10, 2011 By: Ron Adams

Lacy A. Hall 18347 Satcoy St. #104 Reseda, Ca 91335 - structured a private loan and failed to follow through after months of dragging lenders along. She had lenders set aside money that could of been left in the market, earning interest. The losses for that alone total \$1,200.00.

After several attempts at Overnighting contract failed, for whatever reason, the lender agreed to trading account numbers for wire transfer. Once ABA and Routing And Account info traded; Lacy failed to communicate and or follow through, or reimburse losses.

Lacy A. Hall, failed to verify her ID and Income, and after several attempts by lender to validate both, Lacy became harder to reach. Cell phone communications and e-mails show Lacy agreeing to loan and setting it up, that constitutes an oral agreement bound by a court of law in the U.S.

Said loan was in the amount of \$20,000. Said loan was agreed to support UNITED STATES troops overseas.

PACKAGESRUS domain has been shut down, and Lacy A. Hall has yet to return lenders calls and or e-mails or communicate in any way.

THIS PERSON HAS GIVEN FALSE INFO THROUGHOUT THE LITTLE CONTACT SHE HAD WITH LENDER, AND IS (IN A POSITION OF TRUST) MISREPRESENTING THE UNITED STATES MILITARY TROOPS.

LACY A. HALL 18347 SATICOY ST. #104 RESEDA, CA 91355 719-641-0004
